SKAGEN

For første gang siden firmaets grundlæggelse i 1878, har det eksklusive franske væveri, Jules Pansu, som har eneretten til væverier af verdens største kunstnere bl.a. Pablo Picasso, Joan Miró Wassily Kandinsky, René Magritte og Claude Monét, vævet værker af Danske kunstnere.

I samarbejde med Skagen Kunstmuseer er 2 af P.S. Krøyers og 1 af Laurits Tuxens største værker nu udført som puder i den mest eksklusive vævekvalitet der findes.

P.S. Krøyer: Sommeraften på Skagen Sønderstrand. 1893
